## Weekly Parent Email

W/E 17<sup>th</sup> March 2023

Dear All,

Really enjoyable Book Week this week. One of the highlights was on Tuesday when the pupils completed book related activities in mixed aged groups. Of course, we have also had today's charity event, organized by our Sapphire Class pupils on behalf of Young Minds. All great fun with lots of money raised for this very worthy cause. Many thanks to everyone who has supported our Scholastic Book Fair, it is wonderful to see the children so excited over new books. The fair will be open again on Monday for the last day.

We had another future careers session on Wednesday with parent, Tanya Tree, who spoke to the children about her job as a scientist and engineer. It was fascinating, engaging and inspiring: many thanks to Tanya.

Our Year 5/6 netballers played in the Sherborne School's Netball Tournament on Tuesday and came a brilliant second. Meanwhile, our Year 6 footballers beat Shaftesbury Primary School in the North Dorset School's Davison Cup to qualify for the finals.

**Mother's Day Performance:** We have just uploaded onto our school website a wonderful Mother's Day song performed by our very own School Choir. Please do follow the link below and have a listen to this lovely performance:

**Farm Animal Day - Friday 24<sup>th</sup> March:** We are all really looking forward to our special afternoon with Farm Animals, which are being kindly provided by our wonderful farming families. Look out for photographs on our website next Friday.

Finally, following on from last week, Bishops Caundle's Parish Council has contacted the school about parking and informed us that they have approached the police about the issue. Parking is always a mute point around schools and all I can do is ask you all to be considerate with your parking. We would rather you be a minute or so late for pick up rather than inconveniencing our neighbours.

Have a great weekend,

Nigel
