E-Safety Committee

Poster Design Competition

Our plan

- We want to spread the message about how to stay safe online to the wider community.

E-Safety Posters

○ **We want to design posters to and ask to put them up in the following places…**

Village Shop
The pub
The church
Food Bank
Domino's
Sainbury's
Waitrose
School Entrance/Gate
Library
Swimming pool – Oxley
Boy's School swimming

And many more places!

We need your help!

- We are running a competition to design an E-Safety poster.

- EVERYONE who enters a poster, will have their poster displayed in school or in the wider community.

- There will be a winner chosen from each class, voted for by the E-Safety Committee adults.

- Committee Members can also enter!

Design Rules

- Your poster must be A4 size.

- It can be hand drawn or made on the computer and emailed into the office.

- The poster must clearly show at least **one** e-safety message.

- The poster should show no more than **five** e-safety messages (otherwise it will get too busy).

- It must be bold, clear and eye-catching.

- Make the writing nice and big, so people can read it easily.

Deadline

○ The competition will be explained in this Friday's newsletter, and your E-Safety representatives will have some blank poster templates that you can take home and use if you want too. These will be ready to hand out this week.

○ The Deadline for the competition entries will be Friday 18th November.

○ The winners will be selected and announced on Monday 21st November.

○ Good luck!
