W/E 14th October 2022

Dear All,

The Wellie Walk was the highlight of the week! It was lovely to see the Sapphire Class pupils lead our Harvest celebrations and celebrations of our wonderful surroundings: we are very lucky to live in such a beautiful part of the country. Thanks for the numerous harvest food donations. Monday will be the last for bringing in items, after which we will deliver the collection to Sherborne Food Bank and Bishops Caundle Church.

Importance of reading with your child:

Reading daily with your child is the single most positive thing you can do to impact on their attainment and progress in school. Evidence shows that children who read every day not only perform better in reading tests than those who don't, but also develop a broader vocabulary, increased general knowledge and a better understanding of other cultures. In fact, reading regularly is more likely to determine whether a child does well at school than their social or economic background.
