19th June 2023

Dear parents and carers,

I am really thrilled to be able to pen a few words in support of Mr Roberts OFSTED comments and the attached report. We should all be incredibly proud of the amazing work and commitment shown by all of our staff, governors and yourselves in creating and sustaining an incredible environment for all of our children to thrive and learn. Not only that they feel safe and secure when engaging in all the fabulous activities carried out.

I met the inspectors when they arrived and was supported by our board throughout the day and into the evening. I have responded to the inspectorate on the report and have had detailed discussions with the governing board and leadership team on stuff we can do even better. I am immensely proud of what we achieve at All Saints and this is down to every single one of us that comes to site. Our staff are amazing, you all engage and support us, and ASSA and governors work tirelessly to ensure our children get the absolute best possible education and create memories that will stay with them throughout their whole lives. The report to me positively confirms we are spending our energy wisely and that we are focusing on exactly the right areas, this is backed up by results, data and independent reports conducted on us.

I shall finish by thanking everybody again, it is the effects of all coming together that gives us our strength. Please enjoy the sunshine while it lasts, and I look forward to continuing our amazing journey together. My own daughter is just completing her time at the Gryphon, and I wish our 2023 leavers every success when they advance to senior school in September.

James Smyth
