Weekly Parent Email

W/E 23rd September 2022

Dear All,

Firstly, welcome to Harper and Corey who joined us this week, it is lovely to see you at All Saints. Elsewhere, apart from the usual coughs, splutters and sneezes which we get at this time of year, things are buzzing in school and I can honestly say that our school motto of Nurturing Hearts, Inspiring Minds is happening in every class, throughout every day.

Behind the scenes, our governors are having their first meetings of the academic year. We are incredibly lucky to have such a skilled and dedicated group of governors who are so involved in school life and so passionate about what we do. I very much rely on their advice, guidance, support and enthusiasm!

One initiative we are starting this year is to periodically invite professionals in for our worship to talk about their job what they needed to do to get there and to answer questions from the pupils. The reason we are doing this is to show the pupils that they can be whatever they want to be if they work for it. Even at a young age it is important to have ambitions!

Therapeutic Play Specialist

Play Therapy uses a variety of play and creative arts techniques to alleviate chronic, mild and moderate psychological and emotional conditions in children that are causing behavioural problems and/or are preventing children from realising their potential. We have an independent specialist who will do 12 x 40 minute sessions with your child for £360. If you are interested, please speak to Lou in the office.

Have a lovely weekend,

Nigel Roberts
