School Clubs Spring Term II 2024

We are proud to be able to continue to help busy parents manage their work commitments around the school's timetables by providing early morning and after school care. The breakfast programme will continue to be run by the **All Saints** team who are fully committed to delivering high quality care. Each morning, Breakfast Club opens at 7.45am and children will enjoy a selection of healthy breakfast options including; cereal, toast & fresh fruit. Our afterschool clubs will be supported by a mixture of professional partners and All Saints teachers. The clubs run until 4.30pm. The afterschool clubs for the next 6 weeks of the Spring term are as follows:

Monday: 3.30-4.30: Gardening Club with Ms Barnes

We now have new flower beds at school, so join Ms Barnes on a marvellous journey to experience the joys of gardening and thrills of planting bulbs that will bloom into beautiful flowers in the springtime all around our school. Skills that the children learn and can take home to share with you.

Tuesday: 3.30-4.30: Forest School Club with Mr Roberts

This club offers a great variety of exciting outdoor adventures from den building, bug hunting, arts and craft and woodland games. Our forest school provides a perfect environment to have fun and learn new skills. The children will grow in self-confidence and self-esteem and develop a love and appreciation of the outdoors.

Wednesday: 3.30-4.30: Football Club with Mrs Gawler

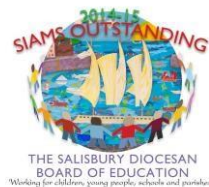

Mrs Gawler continues to deliver a well-structured football coaching programme. Each week there will be a focus on different aspect of the game including; passing drills, defending, ball control, attacking, shooting. There will also be a huge focus on teamwork and resilience.

Thursday: 3.30-4.30: Cosy Club with Miss Amor

As a result of discussions with the children, they have requested Miss Amor run Cosy Club...Get your pyjamas/comfy clothes on and enjoy a warm drink, mindful colouring, yoga and other relaxing activities!

Friday: 3.30-4.30: Basketball with Premier Sports

With such an emphasis on team matches, basketball is the perfect sport for developing spatial awareness and communication. Basketball improves throwing, catching, running and jumping – all fundamental skills which can be applied through a range of sports.
