Dear All,

It was touching and very special to mark Remembrance Day together as a school. The respect shown by all pupils made it an extremely moving occasion. Please take time to view – via the website – the video of our amazing choir singing their Remembrance tribute.

Wednesday afternoon saw Diamond Class Celebration Worship which was so uplifting. Amazing to see how much our Reception pupils have progressed and also the Year 1 pupils in Diamond Class who have been such good role models and leaders to our Reception cohort.

As I am sure you can imagine, Forest School is getting muddy. To that end, could you please ensure that your child has their Forest School clothing at all times. Failure to have the correct clothing – depending on the activity – may result in your child not being able to take part in sessions.

Whilst we are very proud of what we do at All Saints, we are always looking to improve. Because of this, we have just started a programme of our staff visiting other local schools: looking for those little ideas which we can 'magpie'. Likewise, if you have any ideas about how we could improve our provision, please do pop in for a chat, I would really appreciate it.

E-Safety Poster Competition:

To help raise further awareness of importance of keeping people and children safe on-line, we are running a competition to design an E-Safety poster. Everyone who enters will have their poster displayed in the school or in the wider community and there will be a winner chosen from each class, voted for by the E-Safety Committee Adults. Please refer to the attached document for further information.

ASSA AGM

As a reminder, the ASSA (All Saints School Association (our PTA)) AGM is taking place on Wednesday 23rd Nov at 3:30pm. It would be lovely to see as many of you as possible: any help would be welcome however little. Children can stay in the library area or outside if the weather permits.

Odd Socks – Anti Bullying Week

Next week is Anti Bullying Week, please do encourage your child(ren) to support this national initiative by wearing odd socks for the week. We will be doing some work on this in school.

Flu Vaccinations

Just another little reminder that if you would like your child to be included in the National Flu Vaccination programme, which is taking place in school on Monday 21st November, the on-line consents must be completed by Wednesday 16th November. If you should need any support with this consent process, please contact Lou in the office.

Have a great weekend,

Nigel
