Weekly Parent Email

W/E 12th May 2023

Dear All,

A very short email this week!

Congratulations to our 21 Year 6 pupils who have performed so well their SATs this week. All we ask of them is that they try their best and they certainly did that. We are very proud of their focus, their perseverance, their hard work and their good humour: we could not have asked for more. Well done to you all!

We are desperate for volunteers for swimming. We are looking for a number of people to cover one half day per week over the second half of the summer term (9 – 12 and 1:30 – 3:15). You would be unlocking the pool, setting up a few bits and just watching the pupils through the session. When pupils are outside, there will be at least one other member of staff there. **Without sufficient volunteers, we would have to reduce our swimming commitment.** There is training for swimming volunteers on Tuesday (16th May) at 4pm: if you are unavailable to make this, we can work around it.

Finally, friend of the school and governor-to-be Rev'd Jenny Nelson is coming into school next week to prepare a banner with Year 6 pupils for St Aldhelm's Day. She is hoping that some pupils, of any age group, and families, might like to go along to Sherborne Abbey on the afternoon of Saturday 20 May, from 2pm, including attending a short service at 3pm - 3.45pm in the Abbey led by the Bishop of Sherborne, Bishop Karen Gorham, where there will be a display of banners from different schools and groups. Rev'd Jenny will be there and it will be a fun afternoon! If any parents and children would like to take part, please email the school office (or Rev'd Jenny Nelson direct: jnelson12@outlook.com).

Have a great weekend,

Nigel
