

# All Saints Primary School

## Information

11/10/19

Dear Parents / Carers,

Another busy All Saints week passes by. Another week working with happy, successful, articulate and empathetic pupils. Another week hearing about (and seeing) the wonderful work which your children are producing. Another week when I have been in awe of pupils demonstrating compassion and forgiveness; pupils being thankful for being part of this lovely school. Life really isn't too bad!!!

I have asked the School Development Group of our Governing Body to increase their frequency and range of monitoring this year. They regularly come in and monitor areas of school life such as pupils' attitude to learning, lesson content, the learning environment, quality of work and many other diverse areas. This is to challenge myself and to ensure we are doing what we are supposed to do. I am delighted to say that so far (and this is credit to our super staff and wonderful pupils, not myself), the findings have been nothing but positive. I am very proud of the quality of work which is happening here at All Saints.

### **MESSAGE FROM VICAR RICHARD**

Just a quick reminder that SaturdayLIVE@5 is taking place in school this Saturday 12th October. It's a completely new kind of church which begins with Saturday tea i.e. jacket spuds with a variety of filling, cake and drinks. There are crafts and activities for the children to enjoy and time set aside for reflection and worship. Please DO COME and join us at 5pm and bring your friends!!

### **SPORTS CHANGING ROOM DEVELOPMENT**

We are very excited to see the contractors move onto site to remove our current swimming pool changing rooms & shed and build a more substantial, welcoming wooden building for all round changing facilities and storage. A very big thank you for those parents, staff and community friends who rallied together to relocate our garden shed to a more suitable position. The muscle on show was impressive!

### **OPEN MORNING REMINDER**

Another reminder that our Open Morning this year is taking place next **Saturday 19<sup>th</sup> October** from 8:30 – 10:30am. It will provide you the opportunity to chat with the staff, experience some classroom activities, explore our facilities and enjoy a bacon / sausage roll with a hot drink! It will be lovely to see as many of you as possible there.

Regards,  
Nigel Roberts
