Dear Parents/Carers,

All Saints is holding our 8th annual School Development evening on Tuesday 9th October 6 -8pm in the school hall. This is an important opportunity for us to discuss together the strengths and successes of our school and the ways we can develop the school further to become the best it can be. Please join us as we plan for the next phase for our school.

All teaching and support staff will be present and we aim to have representatives from all other stakeholders: - Governors, Parents and Children.

We will be inviting our older children on School Council and Eco Committee to attend and I would like to extend this invitation to any of our parents; your presence at the evening will be greatly welcomed. Please return the slip below if are able to join us.

With many thanks,

Anne Crumpler
