W/E 5th January 2024

Dear All,

Happy New Year; I hope you had a fantastic break.

I have to say, I have been amazed to see the focus and effort from the children in all classes this week, even on the first day back: perhaps it is just me struggling to get up to pace after Christmas!

Some work we had planned over Christmas to further improve our school grounds was delayed by the poor weather over the break. This work will continue very soon.

As ever, if you have any worries, concerns or queries about anything school related, or indeed if you feel that we can support you in any way, please do pop in. We do treasure our relationship with all our parents and would be grateful to hear from you about ways in which we could improve things. Staff work diligently to provide the best school experience for all our children, however, we do not always get things right and encourage you to pop in if this is the case.

Have a great weekend,

Nigel
