Accessing Google Classroom

Step 1:   Open up the internet on internet on Google Chrome

Step 2:   Go to 'Log in' – top right of screen

Step 3:   Login with:

Username = firstname.surname@bishopscaundle.dorset.sch.uk

Password = *Password (please help them to change this)*
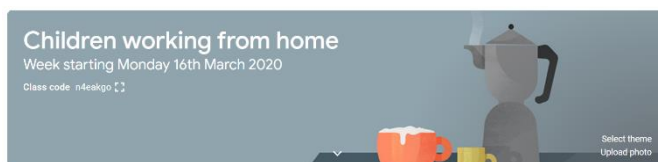

Step 4:   Open up Google Classroom

Click on the green rectangle framed in yellow (google classroom)

Step 5   Home learning

Home learning will be set in the google classroom called 'Children working from home'. Should the whole school close a new 'Children working from home' classroom will be set up each week.

Stream channel - This is where you will see daily and/or weekly updates from your class teacher.

Classroom channel - This is where the home learning is located. It is divided into days of the week. There is also a section for work that needs to be completed daily.

PLEASE REMEMBER THAT MOST OF THE WORK SET WILL NEED TO BE SELF MARKED FROM THE MARKING GUIDES THAT WILL BE ATTACHED
