Words you will learn:

care

To look after someone or something.

need

What living things must have to stay healthy, safe and well.

We can all take **care** of the people, animals and places around us.

people

animals

places

All people and animals **need**:

A safe place to live.

Food and water.

Care and attention.

What we **need** to stay happy and healthy changes as we grow.

baby

toddler

child

We can all look after shared places.

We can look after the school environment

We can look after the local environment

To share ideas with respect:

Speak clearly, facing your audience.

Give reasons for your ideas.

Explain your idea clearly.

Listen respectfully when others are speaking.

Rules can help us work together and get along.

Following the rules helps keep everyone safe.

If you are hurt or upset, speak to your trusted adult.
