

All Saints Primary School Information

29/11/19

Dear Parents / Carers,

Another week and another super Celebration Assembly; on this occasion it was Ruby Class who shared their learning. They really did demonstrate what a broad and informative curriculum they have and it was, once again, fantastic to see such confident group of pupils. Next stop Brass Concert for our Y3/4 pupils.

For staff and pupils alike, it is a very busy and eventful time between now and Christmas. Over the next couple of weeks, all Year 1 to Year 6 pupils will be sitting age appropriate assessments (tests). This will give teachers the opportunity to back up their teacher assessments with formalised assessment results. In addition, it will familiarise pupils with the more formal testing which they will encounter through their school years. The assessments will cause no stress for the pupils (younger ones will hear them referred to as games or quizzes) and they do not require any revision or additional work at home.

Finally, on a sadder front, Mrs Claire Eveleigh (one of our Lunchtime Supervisors) has just completed her final day working at All Saints. I would personally like to thank Claire for all her hard work over the years and we all wish her the best of luck in the future.
