Weekly Parent Email

14th March 2025

Dear All,

I would like to start with a well done to all classes who, over the last two weeks, have made us all extremely proud with their Celebration Worship. The amount of work they have covered this year, the pride they show in their work and the way they displayed this to the audience is a credit to them all and also to the staff who work so hard to support them.

On Wednesday, our Year 3 & 4 footballers played in the Sherborne Schools' Tournament and did brilliantly by coming second out of the 8 schools in the area. Our Year 5 & 6 netball team also managed an excellent second place in their tournament. Well done and thanks to all of the players, in both squads, who represented the school so well.

Teachers are thoroughly looking forward to seeing you next week for Parent Consultation. You will leave the consultation with a sheet showing you your child's target levels, levels this year, attendance and also areas to focus on. Please do come prepared with any specific questions or queries about your child's performance. Booking is still available: if you are struggling to book, please call into the office.

Please get your orders in for ASSA's boxed cream teas for someone special on Mother's Day. These will be given to the children on 28th March and will include a scone, jam, cream, and tea. If you would like to book, please can the attached order form and return it to the school office by close of day 19th March. Boxes cost £3:50 each. **There will also be an order form coming home in your child's bag today.**

Our wonderful guitar teacher, Sam, has some capacity to take on additional pupils. If you are interested in your child having guitar lessons, please contact Lou in the office.

The process of us joining Pickwick Academy Trust, taking on new systems combined with the end of the academic year has led to Lou's workload being (temporarily) extremely high. Please do use myself, Lisa and other members of staff - if at all possible - for any queries, questions or to pass on messages: we may not be as efficient or knowledgeable as Lou, however, we will do our best!

Linked to the above, in the coming weeks we will be launching our new parent portal with Arbor Education (many of you would have experienced this at the Gryphon School). This portal will be used for club bookings, meal bookings, communication and much more. It is extremely important that you all initiate an account once we get to that stage. Also, after next week, there will be no facility in school to pay for anything in cash. We are confident that, after a bit of short-term pain (in changing systems), booking and communication will become so much simpler in the future.

Have a wonderful weekend,

Nigel and Lisa
