

# All Saints Primary School Information

22/11/19

Dear Parents / Carers,

Unfortunately, I have had to miss the celebration assemblies this week; I hear that they have been extremely successful. As I have said before, I am very proud of the confidence, talents and knowledge of our pupils as well as the dedication of our staff, you can be assured that if I could have been there, I would have!

We were honoured to have a very special visitor in assembly on Monday. Nahla Summers' life was changed when her partner died suddenly. Her world fell apart, but it was the simple kindness of a stranger that helped her begin to put her life back together. Nahla founded Sunshine People as a way to remember her partner. She wanted to have his memory represented by something priceless. So she started to complete a challenge each year in his memory but instead of asking people to donate money she asked them to do an act of kindness for a stranger to show their support. Nahla has cycled across America, walked across England and next year will be carrying out 20 challenges in 20 countries. Nahla's message to our pupils was inspiring... random acts of kindness can change lives. For more information please visit Nahla's website <https://www.sunshinepeople.org.uk/>
