Dear All,

I am delighted that our Year 6 pupils had a fantastic, fun-packed, memorable and well-deserved residential visit to Studland Bay earlier this week: a fitting way to end an intense half term for them. Many thanks for the staff who willingly gave up their time to make this happen.

We had our annual All Saints Got Talent competition earlier today and I can honestly say that the standard is getting higher each year. We had singing, dancing, gymnastics, comedy, musical instruments, magic and geographical knowledge. A quite lovely morning and congratulations to all competitors. The top three were:

1st – Belle (piano)

2nd – James (geographical knowledge)

3rd – Floella (gymnastics)

ASSA – Please remember to return any Father's Day forms by the end of day, Monday 3rd June when we return.

- Frozen Friday will return on Friday 7th June after school. Ice creams will be on sale from ASSA members at the front of the school for £1.

Please remember to order your child's lunches and clubs for next half term via School Gateway

Multi Academy Trust (MAT) Update

We had an extraordinary governors meeting last night to consolidate our thoughts as far as academisation is concerned. We are hoping to make an announcement about this early next term.

Have a fantastic half term,

Nigel

Struggling to communicate with your 11 - 16 year old?

Our Living with Parents workshops can make a real difference. The session is free and has a brilliant track record of improving family life. Our workshops are school approved and count as an authorised absence. The last of these workshops is on 15th in Blandford, 23rd in Shaftesbury and 24th in Sherborne.

If your child is in Year 6, we're also running additional workshops in June to support you and your child with the transition to secondary school.

Please email northchildrenscentres@dorsetcouncil.gov.uk to book your place and don't forget to tell us the date and venue, name of your child and your telephone number. Each young person must be accompanied by one parent/carer.
