Weekly Parent Email

W/E 11th March 2022

Dear All,

Congratulations to our Year 5/6 Dodgeball team who performed wonderfully well in just missing the final of a tournament held at The Gryphon School earlier this week. We have many more sporting fixtures over the next few weeks.

Meanwhile on Wednesday, we had a mock Ofsted inspection which focussed on reading. I am so delighted that the feedback was overwhelmingly positive which is a glowing testament to the children (who were superb); the staff (who were outstanding) and to the inspirational Lisa Regan, who is the subject leader of reading. To me, this just highlights how lucky we are to be part of such a wonderful school!

Mothers' Day Presents

ASSA have come up trumps yet again. They will be selling beautifully presented Mothers' Day Keyrings for 'Mum', 'Mummy', 'Nan' and 'Gran' priced at £2 per gift. These Gifts will be made available on a first come, first served basis from the school office from Monday (14th March).

Celebration Worship

We had a wonderful Topaz Class celebration worship on Thursday where we were all so amazed at the confidence, the range of skills and the obvious pride which the children demonstrated. Well done to all of the Topaz pupils. The other classes' dates are as follows (all at 3pm):

Diamond Class	-	Monday 14 th March
Ruby Class	-	Thursday 17 th March
Sapphire Class	-	Thursday 24 th March

Reading

Reading each day with your child is the best thing you can do to improve the progress and attainment of your child: it is central to all learning at school. We are always on the look-out for volunteers to come in and hear our children reading. Indeed, we treasure the time that our volunteers devote to helping our children. If you have any spare time on any afternoon and you are willing support our children with their learning journey, please get in touch with Lou in the school office. Please extend this invite to family and friends who may have some spare time.

COVID – 19

COVID-19 advice for educational settings states:

Children and young people with COVID-19 should not attend their education setting while they are infectious. They should take an LFD test from 5 days after their symptoms started (or the day their test was taken if they did not have symptoms) followed by another one the next day. If both these tests results are negative, they should return to their educational setting if they normally attend one, as long as they feel well enough to do so and do not have a temperature. They should follow the guidance for their educational setting.

The listed COVID-19 symptoms are:

- A new, continuous cough, and/or
- A temperature, and/or
- A loss of, or change to, sense of taste and/or smell.

Have a wonderful weekend,

Nigel
