W/E 19<sup>th</sup> July 2023

Dear All,

It never ceases to amaze me how quickly the academic year passes by!

I would like to start by wishing our fabulous Year 6 pupils the best of luck for their future. They have, to a child, risen to the challenges of Year 6 and have been excellent ambassadors for the school. We have seen brilliance in each and every one of them and, I can honestly say that, if they show the focus they have shown this year they will be successful in their secondary school. Best of luck to all of you!

I would like to say goodbye to a couple of members of staff. First of all, to Laura Watford who has been such a brilliant presence in Diamond Class this year. Laura is moving on to make a success of her Pilates business and we wish her the very best with this. Keep an eye out for classes which are already proving very popular. Also, a very sad farewell Lou Wookey. You all know Lou and she has been the heartbeat of the school for many years; she will be missed by parents, children, staff and governors alike. Lou is staying locally now and we truly hope that she will not be a stranger to us here.

Finally, at the end of the academic year, I have a number of thanks to say. Firstly, to the fantastic children, who make it a pleasure to come into school every day. Next, to the amazing volunteers who give up their free time to enrich the education of the children: they bring so much to the school. Also, thanks to the brilliant governors, who provide Lisa and I with so much support and guidance: we certainly rely heavily on their expertise. Many thanks to ASSA – our PTA – who dedicate so much time to raising funds which are used to provide additional resources, trips and experiences for the pupils: I am always staggered by how much the raise. Thanks to the staff who are quite incredible. Their dedication, caring nature and knowledge make this such a brilliant place for children to learn. Finally, to you the parents and guardians, who are such a positive support to myself and the staff. All Saints is such a special community!

Have a fantastic summer,

Nigel

### **Pay 360 & School Meals**

Pay360 and Chartwells have ceased their contracts with us and other schools as of the end of this week. We have moved to a new system where you are able to book, rearrange and pay for clubs and school lunches in one place. If you are able to download School Gateway app or visit <https://login.schoolgateway.com/0/auth/login> to login in and organise this, there is an option to pay by cash using a PayPoint making this a lot more flexible.

Lunches will not quite be live yet as we are still tweaking this but we will email out to you all when it is ready. Any problems please email Kirsty and she will get back to you.
