

All Saints Primary School

Weekly Parent Email

W/E 14th January 2022

Dear All,

Hopefully you have all received the notification that there has been a positive Lateral Flow Test (LFT) in Diamond Class. Very close contacts have been instructed to LFT daily and we are advising that all Topaz and Diamond Class Children test daily too.

Needless to say, if your child develops one of these symptoms they should stay away from school and book a PCR test online or by calling 119:

- A new, continuous cough, and/or
- A temperature, and/or
- A loss of, or change to, sense of taste and/or smell.

ASSA Meeting

ASSA will be holding a planning meeting at 3:30pm on Monday 17th January for The Wurzels event (happening on 11th June) and other opportunities. Please do come along and help organize this big money raising event.

Forest School Clothing

If your child does not have suitable/adequate forest school clothing in school, sadly they will not be able to take part in these lessons. If you have problems purchasing this clothing, please speak to Lou in the school office.

Decarbonisation Scheme

You may recall that we have been lucky enough to be selected as part of Dorset Council's Decarbonisation Project. Our school is having close to £500,000 spent on us which will include the installation of heat source pumps, LED Lighting and solar panels; the governors and I are delighted that this is a real opportunity for us to educate the children on the need for us all to attempt to reduce our carbon footprint and how this can be achieved.

Work should be starting over the February half term and there may be some disruptions around the school until the start of the summer term (6 weeks of school time). Naturally, it is my job to ensure that the teaching and learning of our children is not disrupted throughout this period.

School Milk

Free milk is only available until your child's 5th birthday. If you wish your EYFS/KS1 child to continue to receive milk every day (by paying for it) after their fifth birthday, please follow this link: <https://www.coolmilk.com/parents/>

Have a lovely weekend,

Nigel Roberts
