Weekly Parent Email

W/E 18th June 2021

Dear All,

I am bitterly disappointed to announce that, due to the delay of lockdown easing, I have to cancel any parent involvement in our Sports Day and our KS2 performance. We will have a Sports Day for the children and will make it as special as we can. Also, we will record our performance of Pirates of the Curry Bean and make it available to parents. Because we have such a small Year 6 cohort, we are hoping to be able to invite a limited audience in for an outdoor Leaver's Service at the end of the year: more information will follow.

Your child(ren) will be coming home today with a Dorset School Games Passport. The challenge is to complete (and tick off) as many of the activities as possible over the next week and return the passport to school next Friday (25th June).

At last I am in a position to announce class teams for next year, these are listed below. I sure you will notice that Year 5 and Year 6 – within Sapphire Class - have different teachers in the mornings. We are doing this because the Sapphire cohort will be bigger than average next year; both the governors and I are determined that the children's quality of education will not suffer as a result of these bigger numbers. Year 5 pupils will be taught in our new 'learning studio' which is being installed in front of our changing rooms over the summer break.

ASSA – Registering with Amazon Smile

If you shop with Amazon, you could easily register to raise funds for ASSA without it costing you any more money.

AmazonSmile, a separate portal from Amazon's main site but offers the same items, prices, and benefits as Amazon.com, but with one distinct difference. When users shop on AmazonSmile, the retailer's Foundation contributes 0.5% of the price of eligible purchases to the charity of your choice.

Once signed into AmazonSmile, you will be prompted to pick a charity. Type in All Saints School Association and pick the Bishops Caundle option. **You do not need to set up a new Amazon account, it is a very simple process.**

During future visits to the site, AmazonSmile will remember your charity and apply eligible purchases towards your total contribution—it is that easy.

We ask that you encourage your family and friends to do the same as if we all do this, the benefit for the school will be quite considerable.

Request for Science Club Resources

Over the next few weeks, Mrs Legg is on the lookout for the following items for Science Club. If you have any of these odds and ends at home that you would be happy to donate, please send them into school:

- wire coat hangers (for reshaping)
- newspapers
- old / scraps of wrapping paper (shiny or plain - Christmas paper is fine!)
- old (clean) socks
- small plastic bottles

Reception Class Hearing Check

Just to let you know that on Wednesday 23rd June our Reception children will be having a hearing test with the School Nursing Team. Letters will be sent home that night informing you of how the test went. If you have any questions or concerns, please speak to Lou in the office.

Keep safe,

Nigel Roberts
