## Weekly Parent Email

W/E 05<sup>th</sup> November 2021

Dear All,

I do hope you all saw the email sent out on Thursday which informed you of a number of chicken pox cases we have had in school (I am told a number of other settings are in the same situation). Please do be vigilant and, if your child is showing any symptoms, follow the advice which was sent out with the email.

Lovely to see so many of you at the Parent Consultations this week. Also, thanks for all of you who took the time to complete the Parent Feedback Form. The responses were overwhelmingly positive with the vast majority of people opting for the 'strongly positive' response for all of the statements' (we had no 'strongly negative' responses). Whilst this is humbling, we are always looking to improve and do take note of all opinions, comments and suggestions. I will publish the results of the survey in the next week or so. Meanwhile, just one of the 80 feedback forms had all of 'strongly negative' comments.

### Class Celebration Worship

I am delighted to confirm the timings of our Celebration Worship which are taking place next week:

**Diamond Class: Wednesday 10<sup>th</sup> November at 3-3.30pm**

**Topaz Class: Thursday 11<sup>th</sup> November at 3-3.30pm**

All parents are invited to these special celebrations as the children will be showcasing their learning. It will be their first opportunity to perform in front of the whole school and an audience of family & friends, so these are very special events. The celebrations for next week are as follows:

**Sapphire Class: Wednesday 17<sup>th</sup> November at 3-3.30pm**

**Ruby Class: Thursday 18<sup>th</sup> November at 3-3.30pm**

### ASSA EVENT PLANNING MEETING

ASSA are holding a planning meeting for our 'BIG' event on June 11<sup>th</sup> 2021 for which we have booked The Wurzels on this coming **Monday (8<sup>th</sup> November) at 3:30pm**. If you are able to help organise this event, please do come along. Children of attendees can stay in school and play whilst the meeting is happening.

### ANIMAL ACTION GROUP

Our school Animal Action Group have put a collection pot in each classroom. They have asked that if any pupil has any spare small change that they bring it in and put it in the pot. This money will be used by the Animal Action Group to sponsor endangered species or to support mistreated animals.

### PARKING

I have been told by some of our neighbours that, particularly at pick up time or for school events, that cars have been parked in places that could cause danger to other motorists / cyclists. I know that parking here can be challenging, however, please do be mindful of other people. Many thanks.

**SAFEGUARDING**

Please see the attached sheet about our school's safeguarding contacts.

**PRIVATE FOSTERING**

Just for information, a private fostering arrangement is one that is made privately (without the involvement of a local authority) for the care of a child under the age of 16 years (under 18, if disabled) by someone other than a parent or close relative, in their own home, with the intention that it should last for 28 days or more. Each party involved in the private fostering arrangement has a legal duty to inform the relevant local authority at least six weeks before the arrangement is due to start. Not to do so is a criminal offence.

Have a lovely half term, Keep safe.
