

All Saints Primary School

Weekly Parent Email

W/E 5th March 2021

Dear All,

Hopefully you are all ready and eagerly awaiting the return to school of all pupils on Monday: we certainly are. Please do remember that we will be doing all we can realistically do to reduce the likelihood of coronavirus being spread in school. Amongst other measures, pupils will remain in their bubbles and regular cleaning of resources and surfaces will be happening.

Could all children please bring in with them any school resources such as Chromebooks, whiteboards, number squares...

Providing that you have booked hot meals, they will be running as usual. If not, please ensure your child has a packed meal. Pupils will also need their PE kit, a book bag, their reading record, a water bottle and their wellington boots (unless they are already in school). Full school uniform is to be worn.

Breakfast and After School clubs are in operation from 8th March and are bookable online or by paper copies from the office. Within these clubs, pupils will be working in bubbles which will be as distanced as space and resources allow.

We had a superb World Book Day yesterday. Well done to all the children who took part: it was so much fun. Please take time to see the World Book Day video which is on the News part of the school website. https://bishopscaundle.eschools.co.uk/web/world_book_day_at_all_saints/544695 Many thanks from all of us to Lisa Regan for her hard work in planning the day.

Have a great weekend and we will see you on Monday.

Nigel
